

GREEK LIFE

AT THE UNIVERSITY OF MIAMI

The Association of Greek Letter Organizations is an umbrella organization that provides leadership training and social programming for all Greek chapters. Every year it hosts New Member Symposium, AGLO Week, Greek Week, and many other events that help in building community and collaboration between all groups and councils.

MULTICULTURAL GREEK COUNCIL (MGC)

The purpose of MGC is to promote and foster positive interfraternal relations, effective communication, and further the development of all culturally-based fraternal organizations at the University of Miami through mutual respect, leadership, honesty, professionalism and education. MGC educates the University and global community regarding environmental, political, cultural, and social affairs, which affect various ethnic, racial, or other culturally identifying groups by promoting and supporting strong educational programs by the MGC member organizations.
